

Rod Bed

design Piero Lissoni

Single or double bed with HPL headboard panel.

Prewashed and sterilized goose down cushions with polyurethane foam insert and a poplar plywood panel to fix them to the frame by plug-in hinges. The cushions are quilted with buttons at sight or, on request, quilted without buttons.

Bedstead structure in steel with black epoxy powder coating padded in differentiated density polyurethane foam.

Covering in 100% polyether thermally bonded onto a polyamide velveteen backing. Stainless steel feet, polished or matt satin-finish, screwed to the base with a bushing. Fabric or leather upholstery, both fully removable by Velcro fastenings. Fabric cover to protect the slat base, in 100% cotton, col. Ecrú, fixed to the bedstead upholstery by zippers to open it on the sides and allow to inset the slat base. Available also in American Queen and King size.
